The DIMMER VIEW

Service Could Be Better

Many People in the Lemon Grove-Spring Valley area do not know that Harry Scheidle is supervisor of their district.

That is not particularly surprising since he gives this part of his district little attention and seldom visits it. He generally turns down the invitation of the Chamber of Commerce to involve himself in local matters. Yet, that is why people of his district pay him \$16,000 a year, plus many fringe benefits.

He won his seat from Bob Dent in spite of almost completely ignoring the eastern part of his district. If ignoring his people in the eastern part of his district — the people to whom he owes a pro rata share of responsibility — could win the job from Dent, it follows that his theory must be that even more ignorance will bring more success.

Two things that shed more light on Scheidle's apparent philosophy were disclosed last week.

One, is when he engineered a change in the meeting day for supervisors. The plea that the weekly press would be running a week behind on telling the people how its business is being conducted fell on deaf ears. Scheidle said the press ought to change its publication dates.

He said he needed Monday to consult with County staff regarding the docket on Monday. Actually, supervisors get the docket, on Thursday with supporting material.

Thus it appears that Scheidle has little interest in informing people here about matters which often have a profound effect on them.

The same week, A San Diego newspaper columnist reported that Scheidle is going to run for the position of mayor of San Diego in 1972. This may explain Scheidle's disinterest in the county folk, but it doesn't excuse it.

So concerned have some area residents become that an extremely prominent citizen of this area told recently that he is holder of a fund that is to be used to defeat Scheidle when his term expires.

The fund is substantial, even by today's devaluation. The citizen of prominence not only confirmed the report but admitted that the sum was "in excess of \$30,000."

All of which is to say that local residents are entitled to more of Scheidle's attention than they are getting.

No Two Are Equal

A gentleman Rotarian in Michigan made an interesting observation the other day regarding equality as the "Chicago 7" squawked about equal rights.

He told his club that "... the only thing everyone, everywhere in the world has equally is 24 hours in the day — from the day he is born until the day that he dies.

"How that 24 hours is used is what makes everyone unequal.

"No one, no matter how his day appears, ever spends his 24 hours in exactly the same way each day as another person spends it.

"Actions may be the same but thoughts are never the same from one moment to the next.

"Therefore, there can never be true equality."

A rather awesome thought that could be tackled on to that philosophy is that today is the only day anyone will ever have. Yesterday is spent. Tomorrow is forever just over the horizon.

Speed Limit Raised On Massachusetts

SAN DIEGO (CNA) — County engineer Howard Taylor has recommended that the

Deadline To Register Is Tonight

The deadline for registering to vote in the June 2nd primary election is midnight, tonight, April 9th.

If you have moved since the last time you registered, or if you failed to vote in the Presidential election of Nov., 1968, you must re-register in order to be eligible to vote in the primary.

You are also eligible to register if you have: 1) reached your 21st birthday by June 2, 1970, 2) become a citizen of the United States by March 4, 1970, 3) been a resident of Calif. for one year by June 1, 1970, and 4) been a resident of San Diego County since before March 4, 1970.

If you have become a citizen by decree of court, PLEASE bring your citizenship papers with you when you come to register.

For your convenience, there will be two Deputy Registrars on duty at the DeFalco's Supermarket in the Spring Valley Shopping Center, corner of Sweetwater rd. and Jamacha Blvd. until 10 p.m.

Registrations will also be accepted at the County Registrar of Voters' office, 5555 Overland dr., San Diego, 92117, until midnight.

Registration will close then, and remain closed until after the primary.

Board of Supervisors return the speed limit on Massachusetts ave. between Hoffman ave. and Boulevard dr. to 35 miles an hour.

Taylor said that the three-month test of a 25 mile an hour limit is not working. Motorists, he said, are traveling at 35 miles an hour or near that speed anyway.

He said the traveling speed bears out the premise that motorists will not slow down if they feel the conditions of the road do not appear to warrant a speed reduction.

The lower limit was imposed by the board as a sort of compromise when residents complained of speeding after the county had prohibited curbside parking.

Taylor also recommended that the board direct him to investigate to see if the local residents are willing to pay one half of the cost of a road improvement on substandard parts of the street at an approximate cost of \$46,000.

The street would be widened and on-street parking would be restored in the project.

Charger Ticket Sales Spurt

San Diego Charger season ticket sales are more than 3,000 ahead of last year, the Chargers reported.

The Chargers have sold 22,121 season seats to 1970 games at San Diego Stadium. As of March 30, 1969, the sale was 19,061. The total gain, which includes 1,245 new orders, is 3,060.

Van To Greet Citizens Here

U. S. Congressman Lionel Van Deerlin said Saturday that he expected a goodly number of constituents to greet him Monday, April 20, prior to a Rotary club speech he will make at noon at the Lemon Grove Bowlero.

Van Deerlin will be at the office of this newspaper at 11 a.m. of that day for an hour visit with anyone who wishes to greet him or to discuss problems with him.

The officials at 7834 Lester ave. — the street behind the L.G. Post Office.

The Congressman has used the office for a centering place each year. No appointment is necessary, he said.

NEAR CAPACITY ALREADY REACHED

Public Works Chills Otag Plan For Spring Valley Sewer Grab

By Dick Sims

SAN DIEGO (CNA) — Plans for the Otag Municipal Water District to send sewage from Calavo Gardens through the lines of the Spring Valley Sanitation District were jolted Friday.

County Public Works Administrator David K. Speer recommended that the Board of Supervisors not allow the connection to the Jamacha trunk

sewer that Otag is seeking.

Speer said there is little excess capacity in the eight-inch line and that growth within the Spring Valley district alone will require expansion in one or two years.

Thus Otag is caught in a most awkward situation. The district has let contracts for a sewage collection system in Calavo Gardens and for a pump and force main to the

Jamacha (La Presa) line, but still has no place to get rid of the waste water.

Interwoven in the situation is the proposed detachment of some 145 acres of land on Mt. Helix that flows naturally to Spring Valley.

According to Mrs. Ralph Lundberg, chief proponent of detachment, Otag has been saying that they have been assured of a connection to the

Spring Valley.

The detachment has been approved by the Local Agency Formation Commission (LAFCO) but it is contingent upon the annexation of the land to Spring Valley, a process that is in the mill.

Competition Cut Out

Mrs. Lundberg has been unhappy with Otag for some time, but an election issue intensified the feeling.

Dr. Gerald W. Myers who is a resident of the proposed detachment appeared at the office of the Registrar of Voters

Grand Jury To Study Otag Moves

SAN DIEGO (CNA) — Supervisor Harry Scheidle said Tuesday that the County Grand Jury is investigating the action of the Otag Municipal Water District in changing district zones to leading to a changed zoning pattern.

Scheidle was speaking as a member of the Local Agency Formation Commission. The commission denied an annexation to Otag because of the unsettled situation between Otag and the Spring Valley Sanitation District as to the sanitation district accepting for transportation to the Metropolitan Sewer System.

Scheidle said in a letter to Mrs. Ralph Lundberg, detachment proponent for 135 acres on the south slope of Mt. Helix, "I feel that any process of this type involving the limit of election boundaries and changes in election districts is something which should be done in a full scale, properly advertised and well-noticed public hearing.

The change was made on Jan. 30 at a specially-called Otag meeting.

It disenfranchised Dr. Gerald W. Myer who said he intended to file for election against Otag Board President Ralph W. Chapman.

A County investigation into some Otag situations is continuing because of the Otag claim of rights in the Jamacha trunk line of Spring Valley Sanitation District operation.

WHO'S PRETTIEST? — 11 contestants for the title of Miss Lemon Grove attended an indoctrination meeting Thursday. All will meet again at 7 p.m. Saturday in the Lemon Grove Junior High school auditorium where the winners will be chosen by five "secret" judges. In the photo foreground are Casilda Pagan, Carmella Alesi, and Mayvin Myers. Miss Myers, outgoing queen, will crown the victor Saturday. Sandy Poole, Miss 1967 Fairest of the Fair will present the S.D. County Exposition trophy. "Molly" Mouillesseaux, contest chairman for the L.G. Rotary club will present club trophies. Other Rotary function-

aries will be Dr. Harry Sorteberg, in charge of judges; Dr. Griff Clark, master of ceremonies, and Col. Thomas S. Clayton who is president of the club. Mouillesseaux will distribute gifts being supplied by local business firms. In addition to Misses Pagan and Alesi, other contestants are: Sandra Sjogren, Marilyn Kotnik, Patricia Coker, Anne Marie Fares, Sheri Lynn Brown, and Sandra Good. Also: Michele Gilette, Debbie Hannahs, and Brenda Speck. Entertainment will be provided by the Mt. Miguel Girls' Ensemble, directed by Robert Boucher. Admission to the contest is free.

CHAMBER SEATS OFFICERS

Van Deerlin Slaps Local Railroad For Lack of Local Cooperation

Nearly 90 persons, including city, state and federal dignitaries, greeted newly installed officers of the Lemon Grove Chamber of Commerce Saturday night at the annual installation dinner at the VFW Hall.

Installed as president was Robert Russell. Also seated were Wally Knutson, vice president, Al Woods, treasurer, and Joyce Foss, secretary.

Russell succeeds Frank Shughrue who served two terms. Dr. Jerry Legerton was master of ceremonies.

Congressman Lionel Van Deerlin, Assemblyman Wadie Deddeh, San Diego City Councilman Mike Schaefer, and retired Judge Luther N. Hussey were in attendance.

Congressman Van Deerlin rose to an unusual occasion after President Russell commended the small group of Valleyites who did attend.

However, William Fitzpatrick, president of the Spring Valley Community Council, said the County representatives felt the crowd of 57 persons was too small for the community to take any definite action.

Fitzpatrick said in order to get a program such as S. V. Community Planning "off the ground," there should be a meeting with at least 200 community residents attending.

Fitzpatrick said, however, the Spring Valley Community Council will try every avenue in order to stir up interest in Spring Valley.

He said first off, there will

be a board meeting of the S.V. C.C. tonight (Thursday) at 7:30 p.m. at Carman Ranch Club on Sweetwater rd. to discuss this all-important question.

He said there will be a report of the meeting and of what the board decides to do about getting more information to residents of Spring Valley.

Robert Kelsey, chief of County planning, has said the only way Community Planning can work is to have the backing of the people.

President of Spring Valley Community Council, Fitzpatrick, said that organization is planning another "Spring Valley Beautiful" campaign, the "kick-off" date to be sometime in May.

He said other such projects have been successful in bringing the people of the Valley in closer harmony.

Folk Music Series Begins

KOGO Radio, in cooperation with the University of California Extension, will broadcast a thirteen-week course on Folk songs in America. It began Sunday.

The series will be aired Sunday mornings at 9:35 on KOGO-AM and rebroadcast at 5:35 p.m. on KOGO-FM.

LG Fire Report

The Lemon Grove Fire Department answered two fire calls and one rescue for the past week.

On March 31 at 5:47 p.m., firemen went to the Lemon Grove Radio and Repair at 7973 Broadway. An overheated transformer in a television being repaired, caused considerable smoke, but no damage.

On April 2 at 7:29 a.m. firemen went to the home at 6934 Davenport st. It seems children playing with matches in a clothes closet, had set fire to the closet, and Mrs. Foster had attempted to put out the flame with a garden hose.

She had the flame nearly out when the firemen arrived, but in her fire fighting had sustained burns on her left arm and hand. She was treated by a doctor. Loss to the Foster clothes closet and contents was estimated at \$300.

The one rescue call of the week was on April 4 at 3:17 p.m. to the Lemon Grove Beauty College on Imperial ave. Mrs. Anita Grant, a customer, who lives at 8580 Palm ave., had been munching on some candy and a piece lodged in her throat. She was treated at the Lemon Grove Medical Center.

Reds Would Control News Says Ryan

A major target of the nihilists is the Bill of Rights, Guy Ryan, Community Relations Director for the San Diego Evening Tribune told the L.G. Rotary Club Monday.

Ryan, who is also national secretary of Sigma Delta Chi, the national professional journalistic society, said that neither Russia nor China would be under the heel of the Communists today if there had been free speech and a free press in those countries.

Both forms of Communism aim to throttle all news media in the continuing battle, he said.

Ryan saw no specific harm in Vice President Agnew's criticism of the press. "Criticism sharpens us up. It shakes us. It makes us more careful," he said.

The press also has a continuing battle with government in its quest to keep the public informed on how its business is being conducted. "Those who would use government power illegally or immorally try to hide their acts from the press," he added.

Gulls Due Here For Third Game Of Playoffs

VANCOUVER, British Columbia — The San Diego Gulls meet the Vancouver Canucks here tomorrow night in game No. 2 of their best-of-seven Lester Patrick Cup Playoff semifinal series.

Following that game, the Gulls and Canucks will move to San Diego for the third and fourth games, which will be at the Sports Arena on Saturday and Monday evenings.

The team teams opened their series here in Vancouver on Tuesday night.

The schedule has also been announced for whatever games past the originally announced first four are needed to settle the series.

The fifth game, if needed, will be in Vancouver on Wednesday, April 15. The sixth game would be in San Diego on Saturday, April 18, and the seventh game would be played in Vancouver on Monday, April 20.

During the regular season the Canucks took an 8-3-1 edge in the series with San Diego. Vancouver had a perfect 6-0-0 record here at the Pacific Coliseum, and over the past two seasons, the Canucks had won 11 straight games at home.

The Gulls had a 3-2-1 advantage at home. San Diego got off to a 2-0-1 lead in the series, then lost eight straight games before winning the final meeting between the two teams in the regular season.

Old Time Days Dinner To Kickoff Project

The time is growing ever closer for the 11th Annual Lemon Grove Oldtime Days Celebration and, as it does, considerable excitement is being generated throughout the community and the surrounding area.

Indications are that this year's parade will be one of the biggest and best seen in the area in years. A record number of entries are anticipated.

The parade is scheduled for May 23, final day of the 3-day community-wide celebration.

The whole affair will actually get underway May 2 when the Annual Lemon Grove Oldtime Days Kickoff Dinner will take place in the VFW Hall.

Plans are nearing completion for the dinner and the entertainment package bids fair to be well worth the \$4 admission price.

Ron Mix, former San Diego Charger great will act as Mas-

ter of Ceremonies and will introduce such interesting old time entertainment as: El Cajon American Legion Auxiliary Kitchen Band; Harold The Terrible (Lemon Grove's own muddled mystic) who will bewilder you and probably himself, with feats of magic; the renowned Lemonettes doing a chorus routine; Sam Smith and his Dixieland Band; the Levis and Laces Square Dance Club; and Miss Lemon Grove.

Tickets may be obtained from Louise Warren, Warren's Furniture Store on Broadway in Lemon Grove. Since the tickets are limited in quantity the Oldtime Days Association urges all interested to get their tickets early.

The Kickoff Dinner will start with a No-Host Cocktail hour at 6:30, dinner at 7:30 and then the entertainment. The dinner will be a buffet barbeque.

ALC Assists Minority Kids

MINNEAPOLIS — The American Lutheran Church has allotted \$150,000 out of its crisis funds for 1970 to support scholarships for students from minority groups. The scholarships will be in varying amounts and will cover tuition and other costs. They may be used in any accredited institution.

Forty percent of the total, or \$60,000, will be used during the first year of the program. The remaining \$90,000 will be used to continue support of students chosen the first year.

The scholarship selection committee will be composed of five representatives from minority groups.

Music Fest Is Feature

The Catholic Diocese of San Diego presents the fifth annual Music Festival on Sunday, at 2 p.m. in the San Diego Civic Theatre. The Festival features a 500 voice chorus from elementary and high schools under the direction of Robert Holmes.

Students from 38 schools throughout San Diego, Riverside, and Imperial counties will offer a full range of choral works and soloists from high schools will present instrumental and dance selections.

The Festival program will encompass the many moods of music from all corners of the world, from the oriental "Korean Lullaby" to folk songs of Russia and the United States. Mexican folk music and dance will be offered by the "Silver Bells", a colorful group from Vincent Memorial High School, Calexico.

Tickets are available through participating schools and at the theatre on Festival day.

Interracial Council Arranges Program

All Faiths Interracial Council, which is an affiliate of E. Cajon's People for People, has arranged an outstanding, ecumenical, musical program. Joe Newton, chairman, has announced that plans have been finalized.

The theme is the transition in the form of musical expression which has occurred in the modern worship service. The program has been planned to have appeal for those who are familiar with the modern forms and will provide an opportunity for appreciation of the new forms to those who are as yet unfamiliar with them.

The Reverends Keith Mitchell and Charles Zimbleman, both widely known for their community involvement service, will narrate. The performers will include persons from several ethnic groups in keeping with the focus on love and brotherhood which is found in the new religious music.

The East Brothers, Al Op-

penheimer and his 10:30 group, Fletcher Hills Presbyrian's instrumentalists and Jew Day Singers, and Saint Bridget's guitarists will be among the participants.

Gertrude Murrell will present her narrative-vocal story of the development of the Negro spiritual which has been highly touted locally in religious circles.

The ballet form will be exemplified by Dana Jones' interpretation in dance of the number entitled, Brother, Where Are You?

The admission-free program will be presented at the Convent of the Sacred Heart, 2100 Greenfield ave., El Cajon at 7 p.m. on April 19. A cordial invitation is extended to the public.

Gemologists Plan Free Show At Helix High

The Tourmaline Gem & Mineral Society will present its 21st Annual Gem & Mineral Show May 2-3, at Helix High School.

Admission is free and a rock or mineral specimen will be given to everyone. Show time Saturday is noon until 10 and Sunday noon until 6.

Members will exhibit 60 cases of material, most of which has come from San Diego county and the nearby desert.

Special features include six outstanding guest exhibits of excellent quality plus a 30 minute slide program every hour. This show is one of the few non-competitive shows which is annually offered as a service to the community to show the beautiful rock, minerals and gems to be found nearby. Many of the materials will be shown in jewelry, lapidary work and pictures.

Members of the San Diego Gemological Society will be present to test gems and identify rocks and minerals.

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

How does one say "to have a good time" in Spanish? We have some Spanish-speaking guests in our house who are visiting the United States for the first time and I would like to tell them to "have a good time" during their stay.

The most direct way is "Divertanse!" which means "You (plural) have a good time." Pronunciation of this word is easier when it is divided into the phonetic sounds "dee-vee-EHR-tahn-seh."

To ask your guest if they are having a good time you may say "Se divierten?" We hope their answer will be "Si, nos divertimos mucho." (Yes, we are having a very good time.)

Learning to use variations of "divertirse" is quite easy. For example you may say "Se divierte ella?" (Is she having a good time?). A negative re-

sponse may be "Ella no se divierte." (She is not having a good time.)

When talking directly to a person you may ask in the singular form "Se divierte usted?" (Are you having a good time?).

Practice phrases below reflect some interesting variations for using "divertirse" (to have a good time). You may wish to learn them with the aid of the recorded voice that says them for you when you dial 276-2762 on your telephone.

IMPORTANT PHRASES:

Say "Se divierten?" (seh dee-vee-EHR-tehn) for "Are you having a good time?"
Say "Si, nos divertimos mucho." (SEE nohs dee-vee-EHR-teh-mohs MOO-choh) for "Yes, we are having a good time."

USEFUL PHRASES:

Say "Se divierte ella?" (seh dee-vee-EHR-teh EH-yah) for "Is she having a good time?"
Say "Ella no se divierte." EH-yah no seh dee-vee-EHR-teh for "She is not having a good time."

OTHER PHRASES:

Say "Divertanse!" (dee-vee-EHR-tahn-seh) for "Have a good time!"
Say "Muchas gracias." (MOO-chas GRAH-se-ahs) for "Thank you."

Lecture Slated

Dr. William H. Miller, Director of Community Education, College of San Mateo, will appear at Mesa College's Applied Theatre, Thursday, April 16 at noon.

Lutherans Call For Draft Reform

MINNEAPOLIS — A call for Selective Service reform and a new kind of national service has been sent to the 5,000 pastors of The American Lutheran Church by the church's Commission on Research and Social Action.

The statement, which is being circulated "to stimulate thinking and promote discussion within the American Lutheran Church," is a revision of the statement on selective conscientious objection that the 1968 general convention of the ALC referred back to the commission for further study.

The new document will be introduced at the ALC convention in San Antonio next October.

"Service to the nation takes many forms," the statement says, and argues that it "accomplishes more than the meeting of critical needs of national defense."

It urges Congress to "expand the opportunities for national social service in order that a large number of interested and qualified citizens, young and old, thereby will be able to contribute their energies to the national interest" in such areas as teaching, community and agricultural development, health care services, and conservation measures.

In calling for a reform of the Selective Service System, the statement calls attention to the fact that whereas Americans have traditionally regarded military conscription as a measure for times of national crisis, it has now become a regular feature of public policy.

AREA OBITUARIES

JAMES CRAIG

Services for James M. Craig, 81, of Spring Valley, were held April 1 at Greenwood Mortuary in San Diego. Burial was at Greenwood Memorial Park.

ELLA FORSEY

Services for Ella Forshey, 77, of Lemon Grove, were held Monday at the Chapel of the Roses, Glen Abbey. Burial was at Glen Abbey Memorial Park in Chula Vista.

She died April 1. She lived at 1403 Skyline dr.

She is survived by three sisters, including Hilda F. Lee of Lemon Grove, and Florence Ezell of El Cajon.

Sin, Death Topics

The Lesson-Sermon to be read in all Christian Science churches on Sunday, April 12, asks the question, "Are Sin, Disease, and Death Real?"

Answers are given from the Bible in accounts of the way Jesus healed a mentally deranged boy and a man unable to walk for thirty-eight years. His injunction, "Heal the sick, cleanse the lepers, raise the dead, cast out devils," is included in the Bible readings.

The public is welcome to attend service at First Church of Christ Scientist, Lemon Grove, 7741 Pacific ave., starting at 11 a.m.

PTA HILITES

MT. MIGUEL

Mt. Miguel High School PTA will meet tonight at 7:30 in the school cafeteria. Mrs. Robert Littrell, president, will conduct a brief business meeting, at which time election of PTA officers for the 1970-71 school year will be held.

The nominating committee proposes the following slate: president, Mrs. Robert Littrell; 1st vice-president, Mrs. Henry Reinecke; 2nd vice-president, Mrs. F. W. Riley; secretary, Mrs. Victor Hall; treasurer, Mrs. Leonard Gist; historian, Mrs. Ray Kotnik; and auditor, D. M. Schaeffer.

Two people will be honored by the PTA unit with an Honorary Service Award for their contribution to youth.

The program for the evening will have an international flare, as Lars Jonsson, the Youth For Understanding student from Sweden, and Soren Mikkelsen, from Denmark, speak. Soren is attending Mt. Miguel through the American Field Service program.

PALM JR. HIGH

The Palm Ave. Jr. High School PTA would like to announce the following slate of officers, presented by the nominating committee, and elected to office for the coming year.

The slate is as follows: president — Mrs. Wayne Chubb; 1st vice-president — Mrs. Norman Thomas; 2nd vice-president — Mrs. Wally Dollard; 3rd vice-president — Mrs. Jack

Simmons, 4th vice-president — Mrs. Frederick Shunk, secretary — Mrs. Arville Smith, treasurer — Mrs. Wm. Black, auditor — Mrs. Joseph Lusch, historian — Mrs. Donald Johnson.

There will be no general meeting this month.

SPRING VALLEY

Helen Harter, nominating committee chairman for the Spring Valley Jr. High's PTA, submitted the following slate of officers for election at their March 12 PTA Unit Meeting.

Mrs. M. E. Savoyers, president; Mrs. Dewey Stewart, 1st vice-president; Mrs. Peter Doyle, 2nd vice-president; Mrs. R. E. Monce, 3rd vice-president; Mrs. Keith Ellis, 4th vice-president; Mrs. Wilbur Coon, secretary; Mrs. Wm. Bass, treasurer; Mrs. Wm. Shifflet, historian, and David Graham, auditor.

The officers were elected as presented and will be installed at the May PTA meeting to begin their 1970-71 year.

Mrs. Howard Henderson was presented the PTA's highest award, that of the Honorary Service Award, for her many devoted years of service to children through her church, Cub Scouts, and the PTA's at Spring Valley Elementary School, Casa de Oro, and now at the Spring Valley Jr. High School.

SV Student In College's Air Program

Southwestern College received statewide recognition for the "outstanding contribution to education the College is making by offering aviation in its curriculum", by the California Aerospace Education Association.

An embossed certificate was accepted on behalf of the College by two of the highest scholastic students in the Aviation Program, Richard Brady of Spring Valley and John Butitta of Chula Vista.

Richard Brannen, Aeronautics Instructor at Southwest, accompanied the students to the conference which was held at the El Toro Marine Air Station.

Nat'l Forests Free to Public

All National Forest camping and picnicking facilities in California will be available to the public free until further notice.

In making this announcement in San Francisco Regional Forester J. W. "Jack" Deinema said the use of recreation facilities in California's 17 National Forests will be free pending Congressional action on the Golden Eagle charge program for federal facilities.

The Golden Eagle program has been in operation since 1965 and called for a \$7 annual recreation pass. The program expired March 31.

Deinema said that while legislation is being considered to reinstitute the Golden Eagle program or establish a different charge program, National Forest facilities operated by the U. S. Forest Service will be free to public use until further notice.

Lemon Butter Balls — Dairy Council of California home economists suggest lemon butter balls to serve with fish. Simply add one tablespoon each of lemon juice and chopped parsley to two tablespoons butter. Blend well and roll into balls.

DISPLAY TALENT — All smiles as they display a cake and other goodies are three students in Nadine Knecht's Family Living Class at Spring Valley Junior High School in the La Mesa-Spring Valley School District. The students displayed their home-making talents on PTA's Founder's Day on March 12.

The program included a fashion show, exhibit of knitwear and crafts, baked goods, 12 table settings, each with a different theme and refreshments served by girls in the seventh grade class.

'Richest Stake' Set For Del Mar

DEL MAR — Richest stakes program in its history — 20 feature events carrying \$445,000 in added money — was announced for the 31st Del Mar summer season opening July 24. Thomas M. Hamilton, president of the Del Mar Thoroughbred Club, which takes over operation of the seaside course this year, predicted the bountiful lineup of stakes will attract the finest horses ever to see action at the turf-surf playground.

The purse and stakes program is expected to total some \$1,900,000 — a daily average of \$47,600 for the 42-day meeting.

Richest event will again be the Del Mar Futurity, with \$60,000 added and an expected gross well in excess of \$100,000. This 2-year-old classic will have its 23rd running closing day, Sept. 12, at the six furlong distance. Next year it moves to the grass course at seven and one-half furlongs.

Rodeo Slated For Lakeside

Wild horse racing and wild cow milking contests will be added features to the El Capitan Stadium Association rodeo this year.

Brahma bulls and bucking broncos will try to ride themselves of riders, as top International Assn. cowboys compete for cash prizes.

Two performances will be given April 18 and one April 19. A 2 p.m. performance will be given both days with an 8 p.m. performance April 18. The rodeo will be held on Channel rd. in Lakeside.

Books will be open for entry April 17 only.

Helix Rolls Up 90-46 Score To Dump El Cap

Helix was minus a few key performers and some athletes weren't up to par Friday but you'd never know it.

The Highlanders again displayed depth everywhere, winning their third straight Grossmont League dual meet, beating El Capitan, 90-46.

Art Evans and Gunars Valckiers were double winners. Evans nabbed the hurdle events in 1:52 and :20.3, while Valckiers took the throws with 53.9½ and 147-10.

Sprinter John Landis (10.2, 22.5) and hurdler-jumper Dean Jacobs (15.4, 21-10½) were out with leg injuries and El Capitan unexpectedly cut into Helix points in the mile and pole vault but it made little difference as the Scots nearly doubled the Vags' score.

Ed Mendoza ran alone in the mile and ran a hot early pace on his way to 4:19.9. He's done 4:16.4 from scratch in a relay, but had competition there.

El Cap's Steve Israel improved to 4:29.6 for second in that race, overtaking Scot Dennis Rodgers.

Scot Vaulter Rick Schultz cleared 13-6 for the win there, but the Vags were second and third to offset the points.

Dave Raney took the half-mile in 1:59.2, Robin Schultz the two-mile in 10:01.8 and the Highlanders took the relays in :44.6 and 3:33.4.

El Cap was led by Bill Fudge, who ran a school record :50.9 in the quarter, and horizontal jumper Curt Coop-

er. He spanned 20-5 and 43-3 for wins.

Helix visits El Cajon Friday, with Mendoza scheduled to run the two-mile in an attempt to break 9:20.

Sports Meet Tests Retarded Youngsters

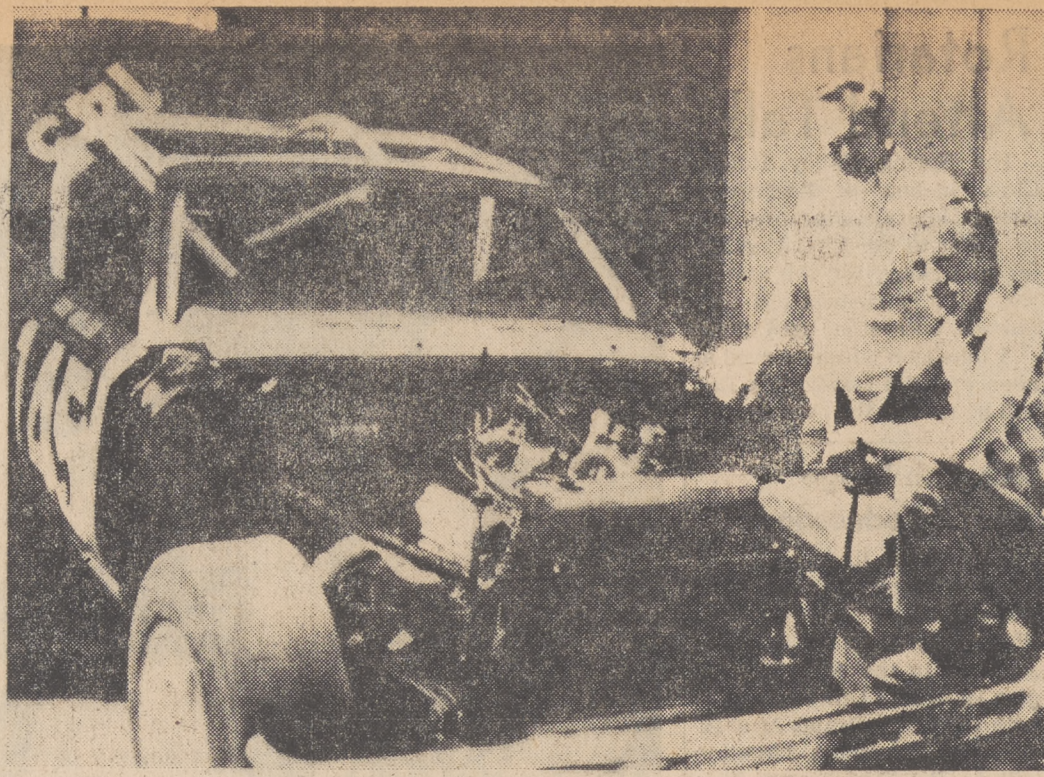

The Special Olympics for retarded children of San Diego County will be held May 23 at Hoover High Stadium.

The event is sponsored locally by the El Cajon Jaycees, the Community Services Division of the State Department of Social Welfare, and the San Diego Association for Retarded Children.

"The goal of the Special Olympics is for every child to establish pride in his own abilities and to participate in a regular physical fitness program," said Agnes Petersons, area coordinator.

Petersons is a social worker in the Community Services Division and is secretary of the El Cajon Jaycees.

In the San Diego meet, a child may enter two swimming events or two track and field events. The swimming categories are the 25 and 50 yard free style. The track events include 50 yard dash, 300 yard run, softball throw, broad jump, high jump, and relay races.

HOT CAR — Dick Waller (left), Dick's Welding, 2277 Imperial, chats with Bill Butts about the front end of the new car Waller will be running at Cajon Speedway beginning Saturday night. Butts, NASCAR driver who won the championship at Ascot last season, helped Waller with the front end construction. The car is a '67 Chevelle powered with a 327 cu. in. engine. Waller and Butts said it should be "a real going bomb." The Super Stocks will be running every Saturday night beginning this week. Time trials get underway at 6, racing at 8. (Photo by Chuck Curtis)

Helix' Walton Named Prep All-American

There's no end to honors for Helix basketball star Bill Walton.

SPORTS SCHEDULE

This week's prep sports schedule:

BASEBALL
Friday — Grossmont at Mount Miguel, Granite Hills at Helix, Monte Vista at Santana. All games at 3 p.m.

Tuesday — Helix at Mount Miguel, Monte Vista at Granite Hills. Both games at 3 p.m.

TRACK
Friday — El Capitan at Mount Miguel, 2:30 p.m.; Granite Hills at Monte Vista, 2:30 p.m.; Helix at El Cajon.

His latest, coming on top of his "Player of the Year" award for the San Diego section, is All-American honors.

Walton, the most dominating area player in recent memory, was named to Parade Magazine's first five.

Also on the team is Pennsylvania's Tom McMillan. Sports Illustrated's choice as the best prep in the country.

One more honor, the designation as number one team in California, was afforded the Helix team recently. A statewide sports service ranked the top 40 teams in California and placed Helix at the top, along with Berkeley.

Pony League Social

Spring Valley Pony League will hold a pie social Friday at 7:30 p.m. at Spring Valley Junior High.

Everyone is invited to come and join in the fun.

Rockets Sign Murphy: Career Average 33.1

Quick Calvin Murphy, 5-10 guard from Niagara University and everybody's All-American for three years, has signed a contract with the San Diego Rockets, it was announced Saturday at a news conference at the San Diego Sports Arena.

Murphy, whose quickness, speed and fantastic shooting ability have earned him the reputation as Niagara's "mighty mite," gives the Rockets the distinction of having signed their top three draft choices for three consecutive years. Murphy was San Diego's second draft pick.

No. 1 selection, 6-8 forward Rudy Tomjanovich, and No. 3 choice, 6-7 forward Curtis Perry, have already joined the Rocket fold.

He scored 2,548 points dur-

ing his varsity career and is the fifth highest scorer in major college history.

Padres Drive For 70 Wins

SAN DIEGO — The "assault on 70" continues at San Diego Stadium as the Padres conclude their opening home series tonight against the Atlanta Braves.

Seeking 70 victories in 1970, an achievement the world champion Mets could not accomplish until their seventh season, the Padres hope to launch their campaign with a swift and winning start.

The Braves aren't exactly the easiest assignment but Padre manager Preston Gomez had his pitching aces — Pat Dobson, Al Santorini and Clay Kirby — ready to face the slugging Western Division champs.

Tickets are available at San Diego Stadium box offices from 10 a.m. to 6 p.m. daily.

All Padre home night games this season will start at the fan-requested time of 7:30 o'clock.

And in another first for their fans, the Padres have made it possible for general admission purchasers to buy their tickets at special windows at Gates A and B and then to sit in the left field plaza seats, a location much closer to the playing action than last year.

CHUCKIN' SPORTS

The Cry Was 'Play Ball' And The Season Started

By Chuck Curtis

When you read this the 1970 baseball season will be well on its way, but your editor is writing it prior to the first game.

I don't know what it is that gets to people, maybe its the promise of summer in some parts of the nation but here in San Diego it isn't that. How can it be when we have summer all year long?

No, there is something magic about the American game of baseball that just makes us all revert to our youth.

I am tingling in anticipation of opening night and that solid whack of a Louisville Slugger against some of Mr. Spauldings prime horsehide.

This is another magic time for those of us who write about the great game. It is that time when most are predicting who will win the pennant.

NOT ME.

Perhaps in four or five years, when the Padres are contending for the top spots I will make first place predictions.

For now I am content to concentrate on the San Diego Padres, our team.

Prediction — We will not win the crown this year. In fact, we will not win our division this year.

Now — does that make me a whiz at predictions?

Seriously, I do feel the Padres will show a vastly improved team this season and have an excellent chance of moving up to a spot somewhere around sixth.

Now THAT is something to predict of a club that is just about to start its second season as a major league entry.

I take notice that I missed out on the opening lineup. Frankly I am surprised the Padres are not starting Al Ferrara. The Bull has been going great this season and has three spring training home runs to his credit.

Dave Campbell's return to physical soundness makes him the best choice to start at second base. In Dave the Padres have picked up a good deal of strength at the second sack. He is a real pro and makes all the good moves.

I picked Santorini as the starting pitcher based on last year and on his spring training efforts. Truthfully it was also a bit of a sentimental pick. Ever since I started covering the Padres Al has been one of my favorites and I am pulling for him to really find himself. When he does he will be one of the all-time greats of the pitching world.

Even now, under the guidance of Roger Craig, he is developing into a fine journeyman pitcher, but if he finds that little added spark, he will really blossom into a top notch mound ace.

The Padres have finally opened the bleacher area. This is a point I belabored long and hard last season. As a youngster it was my great joy to spend many a summer afternoon in the bleachers at Ebbets Field, Brooklyn.

It is fine to catch a foul fly, but it is a far greater thrill to catch the home run ball hit by Nate Colbert to down the dastardly Giants or any other opponent.

It bothered me all last season to look into the outfield at a sea of empty seats. Now that will all be changed. I will be looking at the heart of baseball fandom, the bleacherites.

Aztec Spikers Host SDTC Saturday

It'll be hometown competition for San Diego State's track team this weekend as it entertains the San Diego Track Club this Saturday at 11:30 a.m. on campus at Choc Sportsman Track.

The Aztecs of coach Dick Wells will be out to maintain their supremacy over SDTC as they won last year 82-51.

Wells plans to mix things up and enter some athletes in different events than they normally compete in. Additionally, he'll be holding some men out of competition while limiting the duty of others, such as Wes Williams, and giving them shots at school records.

With just limited action, some of the Aztecs marks in jeopardy could be: Mile — 4:03.1 (set by a resurgent Tim Danielson last week), Triple Jump — 47-8½ (Wes Williams), 440 Relay — 41.4 (Randy Post, Ralph Lavage, Lynn Meyer and Eddie Steward) and

Mile Relay — 3:10.7 (James King, Clark Dimond, John Roberts, Wes Williams).

In action last Saturday, the Aztecs ran their record to 4-3 by splitting a double dual outing in Tempe, Arizona. SDS dropped a close 78-75 decision to powerful Arizona State, but clobbered Northern Arizona University, 111-43.

Tim Danielson showed his old form by winning the mile in a school record time of 4:03.1 — a full two seconds better than the old mark shared by himself (1969) and Bob Messina (1970). Going into the meet, Tim's best 1970 time was 4:10.3.

James King looked impressive in winning the 120 HH (14.7), 440 IH (55.2) and running the leadoff leg on the triumphant mile relay team. Arnie Robinson also had a fine meet, taking a first in the long jump (23-11) and seconds in the high jump (6-4) and triple jump (46-4½).

MV Tracksters Real; Upset Miguel, 75-61

Monte Vista proved that its sprinters and track team are for real Friday afternoon, topping highly-rated rival and cross-town opponent, Mount Miguel, 75-61.

The Monarch dashmen, with fast times to their credit, had been a question mark before the meet.

They came through, however, with 1-3 in the 100, 1-2 in the 220, and 1-2 in the 440.

The points offset the Mator wins in the distance runs. Bob Morrison had probably the best mark of the day, a 4:25.8 win in the mile for the Miguel sophomore. He was trailed by Monarch Tom Lux.

Billy Joe Winchester, of

course, had no trouble taking the shot and discus events with 60-½ and 167-5 throws. Neither effort was his best of the year but the platter mark is just an inch short.

Monarch Bob Gabaldon upset the Matador vaulters, winning at 12-6. Royal Dieter was a double winner for MV, taking the long and triple jumps.

It was the third straight league win for the unbeaten Monarchs, the surprise of the 1970 track season.

Scots' BofA Winners Named

Helix winners in the first round of the 1970 Bank of America Awards Program have been named.

The winners were selected in four general and eleven specific fields.

Selected as winners in general fields were Peggy Andolsek, vocational arts; Christine Hall, fine arts; Dean Jacobs, liberal arts; and Gunars Val-kirs, science and mathematics.

These students will receive plaques and are eligible to compete for awards up to \$1,000 at zone and district competition.

Competition at the upper levels will be based on grades, extra-curricular activities and ability to speak before a group or panel of judges.

Winners in the specific fields are Thomas Thorwick, mathematics; Steve Rogers, laboratory science; Richard Robinson, music; Rick Fabares, art; and John Kay, drama.

Completing the list are Doug Kroll, English; Bill Walton, social sciences; Barbara Schrock, foreign languages; Donna Chapman, business; and Robert Bornemann, trades and industrial arts.

Students who were recognized in specific fields will be awarded certificates.

Selection for these awards was based on high scholastic achievement, leadership, regard for others, personality and a sense of civic responsibility.

Certificate and plaque winners were selected by the faculty with the consultation of Miss Patricia Robbins, Helix counselor.

In Southern California more than 4,000 students will receive certificates and more than 1,000 students will receive plaques. There will be 456 cash awards given ranging from \$25 to \$1,000.

College Sets April 22 for Environmental Awareness

Southwestern College will present a special Forum Series on "Environmental Issues and the South Bay Area" beginning with a day-long observance of Earth Day — Environmental Awareness on Wednesday, April 22.

Activities, which will commence at 9 a.m. and run through 4 p.m., will coincide with the nationwide observance of the ecological problems facing the world today.

Speakers, displays, and several showings of a hard-hitting documentary, "What Are We Doing to Our World?" will be part of the day-long observance. Other activities will include booths for distribution of materials, panel discussions, art and picture displays.

In the evening, the first of the Forums will be conducted under the chairmanship of Richard Marasso, Planetarium Director at the College.

The topic will be "The Overall Ecological Crisis" and the speaker for the evening will be Dr. Douglas Strong, of the History Department at San Diego State College.

The Forum will be held in the Recital Room 801 and is scheduled from 7 to 9 p.m. Strong will speak on the environmental crisis of the 1970's which are based on his attitudes and values.

The speaker will trace the changing attitudes of man toward the land and stress the need for a new set of basic values in America.

On Wednesday, April 29 the discussion will be on "Pollution Problems in the South Bay Area", May 6, the topic will be "Political Aspects in Pollution Control", and the final panel will be held on Sunday, May 10 from 2 to 4 p.m. as part of the ninth annual Open House at the College.

The Open House is slated for 2 to 5 p.m. and will have departmental displays, exhibits and demonstrations of new equipment.

The public is invited to attend all the activities and Forums which will be climaxed by the annual Open House.

Students Study Animal Habits

How long does it take a hamster to learn to pull a wheel?

How do you train a hamster?

These are questions 33 sixth graders at Spring Valley Elementary School are seeking answers to now. They are participating in an in-depth study on how animals react to certain stimuli and how long it takes for them to develop certain habits.

Teacher Georgia Killion said a sideline of the study is learning how people form habits.

Mrs. Killion said her class is divided into eight committees of three children each. Animals being studied by the groups include hamsters, mice, rats, birds, turtles, lizards and fish.

She said each group is keeping close, daily records of what they use for stimulus, daily animal reaction and feeding schedules.

One hamster is being taught to pull a small wheel.

When the study is completed, the class will chart their findings and then compare them with findings of study on human habits they made earlier this year.

AWS Says Mathews March Man

The Associated Women Students of Grossmont College have selected Mary Maxey and Blake Mathews as their Man and Woman of Achievement for the month of March 1970.

Mathews, 19, is an outstanding basketball player who earned a place on the All-Grossmont League first team while a member of Mt. Miguel High School's basketball team in 1967-68.

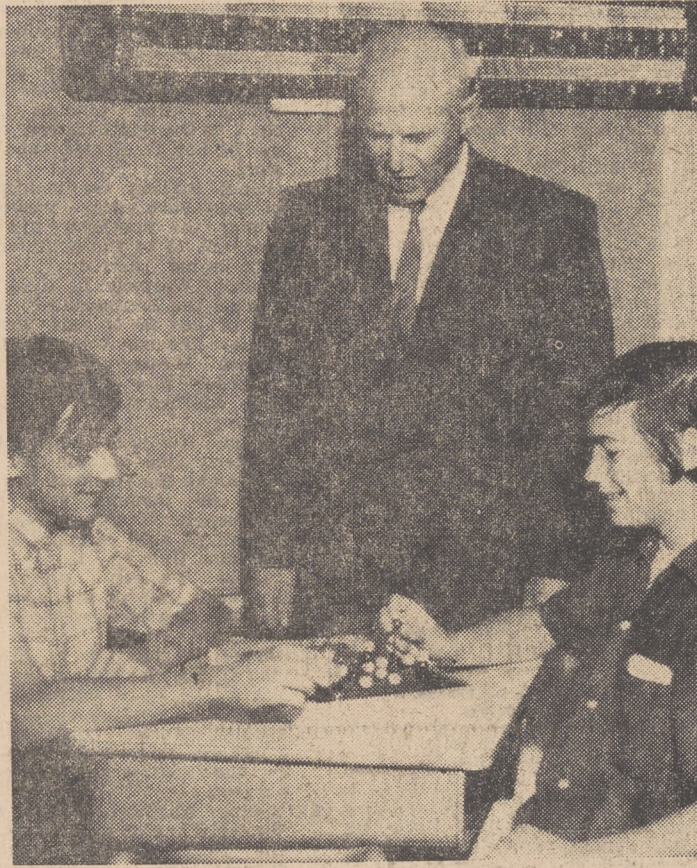

Continuing his basketball prowess at Grossmont College, he was selected as the college's Most Valuable Basketball Player in 1968-69. He received additional laurels when he was selected for a spot on the Southeastern Conference All-League Basketball Team.

A physical educational major who would like to be a high school coach, Mathews was selected as the Man of Achievements for his outstanding contribution to Grossmont College through his personal qualities and athletic abilities. Mathews is the son of Mr. and Mrs. Arthur Mathews of 603 Elkton Blvd., Spring Valley.

Most of the earth's land is in the Northern Hemisphere.

THE JOINT EFFORT, 7342 Broadway, Lemon Grove, is exactly that. It is a new business venture entered into jointly by two National City couples, Mr. and Mrs. James Lynes and Mr. and Mrs. Mark Myers. The business is primarily a Poster Shop, but they also offer a line of candles, incense and burners, blacklight paints, brass pipes, jewelry and celestial lights. The group are all active in other fields besides the shop. Jim Lynes works at Rohr Corp., Chula Vista, Mrs. Lynes is a busy housewife, Mark Myers is a student at Southwestern and Mrs. Myers an employee of Pacific Telephone Company. Queens Invited To El Cajon Fair

The El Cajon Jaycees group is seeking a new queen to reign over the 18th Annual Eastern San Diego County Fair.

Scheduled May 27 through 31 at Gillespie Field in El Cajon, the fair is a non-profit venture sponsored annually by the Jaycees. All proceeds from the event return to the community in the form of Jaycee-sponsored events and presentation of each year's fair.

The campaign for the 1970 Eastern San Diego County Fair Queen is open to any single girl between the ages of 16 and 21 who works, lives or attends school in the Heartland area.

Candidates will be judged on the basis of poise, personality and appearance.

Eligible girls wishing to enter the competition may obtain applications at the El Cajon office of the Automobile Club and at the El Cajon Junior Chamber of Commerce.

Spring Valley School District. Under the direction of teacher Walter Phaler, the students put on a demonstration of mathematical games at the Mathematics Conference held March 12 to 14 at the San Diego Community Concourse.

More than 1,000 teachers viewed the demonstration and many stopped to play the games against the Spring Valley students.

Phaler said at times teachers stood in line to compete.

Students were grouped into two teams. Team One consisted of Douglas Elwell, captain, Lisa Botte, Steven Colquhoun, Mark Dzarnoski, Vaunae Hamlin, Steven House, Richard Guttman, Kim Price and Cynthia Wolf.

Team Two members were Lance Gay, Candance Crook, Gordon Jones, Anne McMechen, Kenneth Norton, Molly Pollock, Leslie Snow, Susan Stephens and Barbara Thornburgh.

Jobs Open Here For Postal Workers

The Interagency Board of U. S. Civil Service Examiners for San Diego and Imperial Counties announces that applications are being accepted for substitute clerk and carrier for filling vacancies as they occur at post offices in San Diego and Imperial counties.

There is no experience required for these positions. Applicants will be required to pass a written test.

The starting salary for most positions will be \$3.06 per hour. Age limit is 18 or over or high school graduate.

For further information concerning application forms, etc., apply at the Federal Job Information Center, 1400 Fifth Ave., or at any post office other than San Diego.

Applications will be accepted until further notice.

Homer Art Shown

Approximately 100 prints by Winslow Homer will be on display in the most extensive exhibition of the artist's graphic works ever assembled, at The Fine Arts Gallery of San Diego, Balboa Park, through May 3.

The exhibition was organized by and circulated to 15 museums across the United States under the auspices of The Museum of Graphic Arts, New York.

Miguel's Convention Scheduled April 17

A student steps onto the platform which has been set up in the school gymnasium among colorful streamers, campaign posters and spotlights. His supporters begin to cheer wildly and throw confetti. What is happening?

It's the annual Mount Miguel Nominating Convention, and the student is any member of the Mount Miguel student body who wants to run for an office, providing he has the correct grade requirements.

The Convention which will take place April 17, beginning at noon, is patterned after the National Conventions. Delegates, chosen in their first period classrooms, represent their classes as they vote for each office of the ASB. Each delegate represents approximately 15 students.

During school hours no students except those officially attending the Convention and those accompanied by teachers may enter the Convention. However, as soon as school is out, any student who wishes to attend may do so.

For those who have disruptive tendencies, there will be a jail awaiting them. The traditional stocks that were used in the past have been abandoned as the slant of hemlines

has gone up.

As in the past, there will be a guest speaker at the Convention. Congressman Lionel Van Deerlin has agreed to attend this year.

Results of the ASB elections will be announced April 24 in the Terrace Room at the Community Concourse. This will be a formal dance and the Marshmallow Rug will provide entertainment. All members of Mount Miguel and their dates may attend.

Library Announces Pre-School Stories

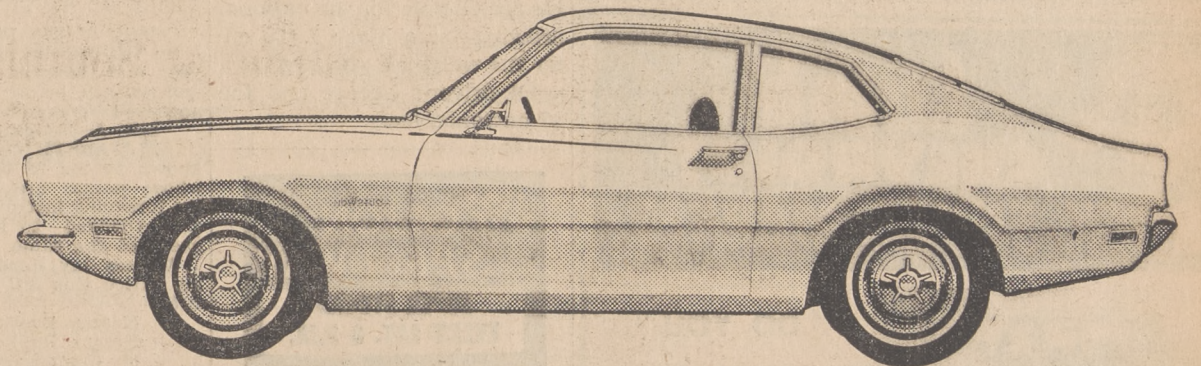

The Lemon Grove Library announces a pre-school story hour for 3 to 5 year olds. Mrs. Neale Clifford will hold the story hour at the Lemon Grove Library, 7735 Pacific Ave., every Wednesday morning from 9:30 to 10 a.m.

Current plans call for six consecutive weeks of programs, from April 15 through May 20. If community response is sufficient the story hours will be continued beyond that date.

It was in 1947 that Jackie Robinson became the first Negro to play major league baseball.

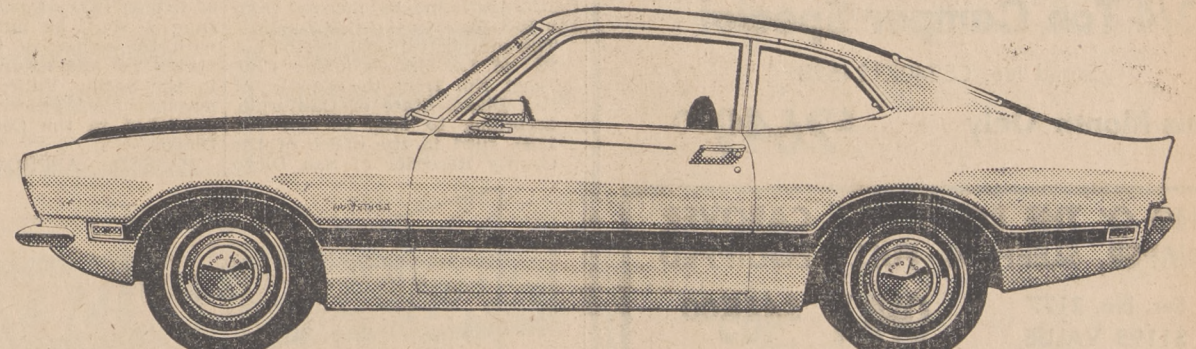

MAVERICK. \$1995*...it's a little gas.

*Ford's suggested retail price for the base Maverick model. Of course, you'll have to add \$37 for the Fuel Evaporative Emission Control System required by the State, and \$108.75 for transportation charges. While sidewall tires are not included, they are \$30 extra. Dealer preparation charges, if any, state and local taxes are not included.

Our little Maverick is America's best selling small car. The reason is simple—solid value. Maverick is simple to drive. Turn on the engine and you turn loose the power of 105 horses. Yet Maverick rivals the economy imports in gas mileage. Simple to park. Maverick can U-turn in a tighter circle than the leading import. Simple to service. Maverick requires fewer oil changes, fewer chassis lubrications. You save time and money. Simple to repair. The Maverick Owner's Manual has 24 pages of instruction for routine maintenance jobs you can do yourself. Simple to own. Save right from the start—the Simple Machine is your Ford Dealer's lowest priced car.

For a little more...it's a GRABBER!

The new Maverick Grabber has all the same features as our Simple Machine but we've added an extra sporty flare to it. Here's what Grabber gives you: 1 Racy bodyside tape stripes, choice of five hot Grabber colors, 14-in. whitewall tires and wheel trim rings. High excitement, yes. High price, no. 2 200 CID Six and 3-speed fully synchronized manual transmission. Lots of pep, but not hard to tune. Grabber adds to your fun, not your mechanical

problems. 3 Dual racing mirrors. But no high "muscle car" insurance rates. 4 Three-spoke woodgrained steering wheel just like the racing cars. But no hard, stiff ride. Grabber's sprung for comfort, not for the track. 5 Black-painted hood and grille. Grabber puts on a great front, but maintenance costs are low. Service is fast and simple. With lots you can do yourself. 6 Rear deck-lid spoiler. Even an economy car can dream, can't it?

MAVERICK

THE NEW MAVERICK GRABBER IS AT YOUR FORD DEALER'S NOW.

Rams vs Chargers

In Hoop Benefit

The San Diego Chargers will play the Los Angeles Rams at the University of San Diego next week.

The weapon will not be a football, however. It will be a basketball.

Members of the two teams, most of whom have played basketball at school, will face each other in an all-out basketball game in the USC gym to aid the Houston Ridge family.

Ridge's career ended with his hip injury last year.

Chargers who will play include: Lance Alworth, Steve DeLong, Speedy Duncan, Gene Ferguson, Kenny Graham, Sam Grunstein, Hadl, Jim Hill, Bob Howard, Walt Sweeney, Jim Tolbert, Russ Washington, Dick Post.

Rams: Dick Bass, Claude Crabb, Gabriel, Tom Mack, Jack Snow, Clancy Williams, Deacon Jones and others.

* Admission is \$1 for adults; 50c for children. Tickets are available at the gym on game night. All proceeds will go to the Ridge family.

Hebrew Class Set

Beginning April 14, Hoover-Crawford Adult School will offer a Conversational Hebrew class, to meet at the Jewish Community Center, every Tuesday morning from 9 a.m. until 12.

The class will be instructed by Mrs. Shelley Sloan, a former Israel resident, who has taught Hebrew in the San Diego schools for twelve years.

MANHATTANS — Barbershop quartets will be on display at Grossmont High School Auditorium, April 11 at 8 p.m. The event "This Is My Country", will also feature the Southern California Music Masters Chorus portraying each of the 37 presidents.

The program will feature six quartets from chapters of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, Inc. One of them, the Manhattans, is pictured above.

Day Camp Program Set

The annual Day Camp program for boys and girls 1st through 6th grade will begin on June 22. There will be 5 sessions, each 10 days in length as follows:

Session No. 1, June 22 - July 3; Session No. 2, July 6 - July 17; Session No. 3, July 20 - July 31; Session No. 4, Aug. 3 - Aug. 14; Session No. 5, Aug. 17 - Aug. 28.

The camp sites again this year will be Flynn Springs and El Monte Park. The program will consist of archery, riflery, camp skills, crafts, trips, and swimming instruction.

Transportation will be provided by the YMCA. A schedule of pick-up points will be published just prior to each session of camp.

Chargers Sign 4 Free Agents

The San Diego Chargers announced the signing of four players to free agent contracts. They are Tom Majewski, 6-foot-4, 230-pound tight end from Indiana State, who played with the Hamilton Tiger-Cats of the Canadian Football League in 1969; center Jim McCaskill, 6-1, 235, from Florida A&M; defensive back Ben Stephens, 5-11, 190, from Grambling, and kicker Dan Thatcher, 6-0, 205, from Occidental.

Thatcher had a 41.7 punting average in 1969 to rank 10th among NCAA Small College kickers. He had a long field goal of 43 yards.

NOTICE IS HEREBY GIVEN that on April 28, 1970, at 2:00 p.m., in Room 358, Board of Supervisors South Chamber, County Administration Center, 1600 Pacific Highway, San Diego, California, a hearing will be held on a petition filed with this Board on March 9, 1970, proposing the annexation of the territory described in the petition to the Spring Valley Lighting District of San Diego County and the establishment of a temporary zone with respect to said territory. At the hearing, or at any time to which it is continued, this Board shall consider the petition and any protests of interested parties which may be filed against it or against the annexation of any territory to the district. The text of said petition is as follows:

Lombardo, et al., Annexation — Document No. 424933
TO: Board of Supervisors
San Diego County, California

The undersigned petitioners hereby respectfully request that all of the territory described in Exhibit A hereto attached and by this reference incorporated herein (hereinafter referred to as the Territory) be annexed to the Lighting District (hereinafter referred to as the District) of the County of San Diego, State of California, pursuant to the provisions of Chapter 12 (commencing with Section 19210) of the Highway Lighting District Act (Part 4 of Division 14 of the Streets and Highways Code).

1. The number of owners of real property in the Territory is 7.

2. The assessed value of the real property in the Territory as shown by the last equalized assessment roll of the County is \$257,750.

3. The Territory proposed to be annexed is not within the limits of any other lighting district.

4. All of said Territory will be benefited by inclusion in the district.

IT IS FURTHER REQUESTED that upon the annexation of said Territory or any part thereof, to the District, the Board establish said annexed territory as a temporary zone (pursuant to Chapter 17 of said Highway Lighting District Act) for the purpose of levying a special tax therein to finance the cost of the temporary zone maintenance of the lights proposed to be installed in said annexed Territory. In regard to said temporary zone, the fol-

Jamul-Las Flores District Eyes Hike For Teachers

A 1970-1971 teachers' salary schedule rising from \$7,100 for beginning teachers to a maximum of \$12,800 has been proposed to the Jamul-Las Flores Union School District trustees by the Jamul-Las Flores Teachers Club.

The present teacher salary schedule ranges from \$6,600 to \$9,420. It places the district among the one per cent of the districts in the state which pay the lowest salaries, according to Supt. Eldon Meyer.

The board which is studying the teachers' request, has agreed to pay the full premium on an improved program of medical insurance for all district employees next school year, Meyer said.

The new program will provide full medical coverage and the district will pay the monthly premium of \$23. At present the program doesn't provide full coverage and employees pay the monthly premium.

Meyer reported to the board

that \$150,000 in district bonds have been sold to Bank of America for a service charge of 6.4 per cent. The bank's bid was the only one received by the county board of supervisors, which sold the bonds.

The money will be used to finance part of the cost of a five-classroom annex to Jamul School. The balance of the annex's estimated cost of \$185,000 is expected to come from state funds, Meyer said.

The Superintendent said the board expects to be able to open construction bids at a special meeting April 20.

The tentative construction schedule calls for ground to be broken around May 15 and

work to be completed in September.

In other action, the board voted to hold summer school in the Jamul-Las Flores Union School District. Dates will be July 1-31.

The board adopted a resolution declaring its willingness to cooperate with a Jamul recreation district which is being proposed for the purpose of building a community swimming pool.

The trustees said the school district would be willing either to contribute money to the project or to donate land.

Mayor Proclaims Schools Week

Mayor Frank Curran proclaimed April 19-25 "Public Schools Week" in the city of San Diego.

To the more than 170,000 students enrolled in the San Diego City Schools and to approximately 10,000 school employees, it signaled the beginning of preparations for the annual statewide tribute to public education.

As in past years, schools will conduct a general open house, during regular daytime hours of operation, and for those who are unable to visit a school between the hours of 9 a.m. and 3 p.m., most schools have scheduled an evening open house one night during the week.

Generally, senior high schools will conduct their evening open house programs on Tuesday, April 21; junior high schools on Wednesday, April 22; and elementary schools on Thursday, April 23. This pattern of evening open house dates will enable the public to visit more than one level of education during the week.

Schools which normally operate during the evening hours — adult schools and the San Diego Evening College — automatically will be open to visitors during the week.

Visitors to the schools will have an opportunity to examine student work, meet teachers and administrators, hear about various educational programs, and inspect local educational facilities.

SV School Learns CD

A special "Assembly" was held at the Spring Valley Junior High School for 500 7th and 8th grade students who are completing the civil defense "Medical Self Help" training course Tuesday.

Arrangements for Civil Defense films and Hand Books were made by Henrietta A. McIlwee, school nurse. Class instructors are Edward Dion and Donald Byrn.

Civil Defense "Medical Self Help" is a program developed by the Public Health Service, Department of Health, Education and Welfare and the Office of Civil Defense, Department of Defense, Washington, D.C., according to W. B. Marty, Administrative Officer for Civil Defense in San Diego County.

The course is made up of ten separate sections or classes dealing with "Radioactive Fallout and Shelter", "Artificial Respiration", "Bleeding and Bandaging", "Fractures and Splinting", "Burns", "Shock", "Nursing Care of the Sick and Injured" and "Infant and Child Care", Marty said.

The new Civil Defense film "In Time of Emergency" was shown at the assembly as part of the program.

College Sets Earth Series

A special Planetarium Series is being presented by Richard Marasso, Planetarium Director at Southwestern College during the Month of April dealing with the Earth and what is happening to it as a tiny planet in space.

The series is titled "The Dying Planet" and in it, the earth is projected as a space ship traveling in the infinite vastness of space and how the regenerative powers of our earth are failing.

Comparative "dead" planets will be observed which emphasize the awesome problems facing man and the inexorable destruction of his natural environment.

The series is presented every Thursday night at 7:30 p.m. in the Planetarium, and in conjunction with the national observance of Earth Day on April 22. On Earth Day, an extra lecture will be presented by Marasso during the day, as part of a campus-wide teach-in on Environmental Awareness.

The lectures are scheduled for April 9, 16, 23, 30, and persons interested in attending should make reservations through the Community Services Office on the campus — 320-1080, Ext. 65.

25-Voice Choir Set For Church

The College Choir of Southwestern College of Phoenix, will present a sacred concert at the Trinity Baptist Church, 6246 Sweetwater rd. in Spring Valley, on Tuesday, 7:30 p.m. according to the Rev. Roger Grant, pastor of the church.

The repertoire includes both classical numbers and intriguing arrangements of familiar hymns. The choir is composed of 25 voices. The president of the college, Dr. Wallace Woods, will be present also with the choir.

Southwestern College is a four-year Bible college affiliated with the churches of the Conservative Baptist Association of America.

'Cage' Is Tonight

"The Cage," an explosive prison drama written, produced and performed by a company of ex-convicts will be presented at 8:30 p.m. tonight in Sherwood Hall, La Jolla.

The production is sponsored by the Associated Students of the University of California, San Diego.

Helix Cadets Live off Land

Nine Helix High cadets attended the California Cadet Corps' Operation Clambake, a survival camp 20 miles south of San Luis Obispo, held March 20-25.

The state-wide camp represented more than 180 students from California high schools.

"The camp taught the boys the true meaning of the phrase 'roughing it.' They weren't allowed to bring sleeping bags, tents or any kind of food," Robert Lueke, Helix CCC adviser, said. "The boys lived on snakes, wild rabbits, assorted carrots and clams while at the camp," Lueke added.

The cadets were: David Lamb and Charles Gaia, freshmen; Keith Dunn, Michael O'Barr and Dan Russell, sophomores; and Doug Cameron, Dave Cowrie, Dave Jessen and Jim Parkison, juniors.

Local VFW Post Has Birthday

The Lemon Grove VFW Post No. 2082 will celebrate its 39th birthday on April 11 by hosting a free dinner and dance. All members are urged to attend this event.

For the past 39 years, the VFW has been helpful in many civic and community services and is a member of the Lemon Grove Chamber of Commerce.

At their headquarters, located at 2885 Imperial ave., Lemon Grove, they have a reception hall and meeting rooms for public use at reasonable prices. Please contact the building manager at 465-1992 for rental information.

Solo Cellist On Tap

Milos Sadlo, the world renowned solo cellist who is now principal cello player with the San Diego Symphony Orchestra, will be featured in a pair of concerts with the orchestra tonight and Friday.

RARE AND BEAUTIFUL — Mrs. Lillian Kerr, owner of Lillian's Antiques, 2046 Berry st., Lemon Grove, proudly shows some of the many lovely items displayed in her shop. She is holding a pitcher, part of a set, made in the Davenport Factory in England about 1830. Other items in the alcove include cranberry glass and exquisite French porcelains. Mrs. Kerr will be exhibiting many of her fine antiques at the Antique Show and Sale of the Antique Dealers of San Diego, April 17, 18 and 19 at Scottish Rites Masonic Memorial Center, Mission Valley. 9 Denominations To Switch Pastors Ecumenical Move

The Consultation On Church Union, representing nine different American denominations after meeting in St. Louis last month, will have an impact in the San Diego, Lemon Grove, El Cajon, La Mesa area Sunday when local congregations will have a change in pastoral leadership in services of worship.

Participating in the exchange will be the Rev. Richard Adams, Trinity Presbyterian Church, Spring Valley; Rev. Charles Mc Brown, United Church, La Mesa; Rev. Gerald Allin, La Mesa United Presbyterian; Rev. Ernest M. Fowler, United Church of Christ, Congregational, Lemon Grove; Rev. Clifford Manning, Fletcher Hills Presbyterian; Rev. Perry Porter, African Methodist Episcopal, Zion; Rev. James Oxley, Colored Methodist Episcopal, San Diego; Rev. Robert Kessler, United Methodist, La Mesa and the Rev. Millard Wolf, El Cajon.

Ministers will conduct worship in churches other than their own and laymen will visit to become acquainted with other laymen.

The recent Plan of Union will be presented to explain the movement toward ecumenical union. Purpose of the exchange is to acquaint the congregations with what has been proposed.

Helix Singers At Festival

The Helix Chorale and Choralists will be attending the Southern California Association Festival for Solo and Ensemble to be held Saturday at Fullerton State College beginning at 1 p.m.

According to Robert Rue, choir director, the choir is stressing work by local composers.

"Helix is looking forward to again maintaining an excellent or superior rating in this festival," Rue commented.

Antiques Are Slated

A dazzling display of rare and beautiful antiques will be presented April 17, 18 and 19 when the Antique Dealers Association of San Diego County holds its annual Antique Show and Sale at Scottish Rites Masonic Memorial Center, Mission Valley.

The Antique Dealers Association is actively supporting the Retarded Children's Association of San Diego County.

Prominent among those displaying at this 5th Annual event will be Mrs. Lillian Kerr, Lillian's Antiques, 2046 Berry st., Lemon Grove. The Antique Dealers Association is described by Mrs. Kerr as, "Made up of antique dealers who have ethical dealings in San Diego County. We use as our insignia the sign of the bell and as our legend, 'Integrity.' This year our show chairman is Perle Saunders and our theme is 'The Roaring Twenties.'"

Mrs. Kerr said members at the exhibit will be dressed in period costumes. She will be wearing a dress once worn by English Shakespearean actress, Lady Fitzpatrick of the Old Globe Theatre. It is being loaned to her for the show.

Included in the items to be shown by Mrs. Kerr will be a Glastonbury Chair carved with the legend of Joseph bringing the Holy Grail to England. The legend says he buried the Grail and on the spot of the burial a rose plant grew that, to this day, blooms every Christmas.

Mrs. Kerr will also display a Prayer Chair, a Moreland Print, an assortment of helmets, brass fireplace fittings, American cut glass, porcelains, gift tins sent to the British soldiers during the Boer War and an inlaid Regency Bible box and a gift tin that belonged to Princess Mary, a gift at Christmas 1914. She later became Queen Mary.

Mrs. Kerr and her husband will make their annual trip to England May 8 to purchase more antiques for the shop.

'Tugboat Annie' Is Film Feature

Grossmont College will open a two-part Tug Boat Annie Series when "Min and Bill" is screened at 7 p.m. tonight in the Fine Arts Lecture Hall.

More than 80,000 people are permanent residents of Miami Beach.

(Cont. from page 1)
longtime board chairman of Otay.

He and Mrs. Lundberg found to their surprise that the Otay board had redistricted so that Dr. Myers no longer lived in the same district as Chapman. Robert Small, executive officer of LAFCO in a letter to the commission said that a letter from Chapman concerning the detachment:

"Does not include one very salient point, namely the redistricting undertaken by Otay which has in effect excluded the detachment area from that election division of the district where an election will be held this year. This action was taken in a special meeting on Jan. 30, 1970, three days before the legal deadline for such action."

Whatever Otay's reason for redistricting, it would be impossible to convince Mrs. Lundberg that there was any other reason than to keep Chapman from being challenged at the polls.

She said there was another redistricting only six months previously.

Chapman lives at 4499 Calavo drive in Calavo Gardens, but was registered at a La Presa address which allowed him to serve on the boards of both the La Presa and Otay water district.

District Attorney Don Keller had brought suit against Registrar Charles J. Sexton to remove Chapman's name from the voting register when Calavo Gardens annexed to Otay, thus legalizing Chapman's Otay status.

(It may also be the reason that Otay pursued the annexation with such vigor.)

Title Validity Questioned

Otay likes to refer to itself as "grass roots" government, close to the people. A County Grand Jury report of a few years ago referred to special district governments such as Otay as "invisible" government, little noted by the people.

Otay asserts that it is the

Cunningham gave a run-down on various freeway projects affecting the area. Those scheduled for the Lemon Grove-Spring Valley area soon include the Campo extension, Sweetwater freeway, Costa Bella interchange, and the route 805 junction with 94.

Councilman Mike Schaefer, who is a candidate for the office of the district attorney, was warmly greeted by friends. He is a nearby resident. He did not speak.

Newly installed President Russell said that increased membership will be his first project.

He said that service clubs, backing the chamber, gave the community the nearest thing to government it now possessed. Several of the officers took a swipe at the lack of interest shown in the community by Supervisor Harry Scheidle.

Judge Hussey paid tribute to the Business Women's League, the group which keeps up the railroad right-of-way.

Hollywood Park To Open

Thoroughbred racing in Southern California, off to a slow start this year because of labor problems, is expected to hit its peak during the 1970 Hollywood Park season, which gets under way Friday.

"Early nominations for some of our major races indicate the quality of horses competing at Hollywood Park this year will be the highest ever," said James D. Stewart, executive vice-president and general manager. "We are offering the richest stakes and purse program in our 31-year history in an effort to provide Southland fans the best racing possible."

The Holland Tunnel under the Hudson River at New York is over 8,370 feet long.

owner of the Jamacha line which connects eventually with the Spring Valley outfall line to the Metropolitan Sewer System.

This is not so, according to County Counsel Bertram McLees.

In short, McLees ruled that Otay has no specific ownership interest in the Jamacha trunk, that the Spring Valley district is not obligated to permit connection to the sewer, and that there is no authority to permit Otay to use the trunk or the Spring Valley outfall unless proper payment for such use is made.

Otay wanted free use of both the trunk and outfall. Going even further, they said in a letter that the residents of Calavo Gardens should pay charges that would be credited to the La Presa sewer bond debt.

This letter has caused a great deal of head shaking in county circles.

The Spring Valley outfall line down the Sweetwater River is sized for 34 million gallons a day and is nowhere near that capacity now. However, the South Bay Terrace development in San Diego just north of National City is going to take up a great deal of that capacity.

It is possible, Spear said, that Otay could buy capacity from Chula Vista which seems to be paying for excess capacity, at least for the present.

'Which Comes First?'

Otay's plans include major development for the Monte Vista Ranch and other large land holdings. However, the district is faced with a "which comes first situation."

If the land was developed, the assessed valuation could pay for the bond issue to let Otay make its own direct connection to Metro. If not developed, some large tax assessments could be expected "to pay for the expensive project during the first years."

An unknown factor is whether San Diego which controls the Metro system will allow Otay to buy capacity in the Point Loma outfall sanitation plant.

San Diego has been extremely cooperative with other agencies, but the plant is nearing its capacity and could become overloaded with many new connections.

Otay sold the Calavo Gardens annexation to LAFCO, on the basis of water reclamation. Former County Supervisor Robert Dent, before casting his swing vote, said so at the hearing.

Plan Rejected

The water reclamation plan was turned down cold by the state Regional Water Quality Control Board. This board insisted upon an emergency outlet to Metropolitan.

At no time during the series of hearings on annexation to Spring Valley or Otay was the issue raised about the control of the control board.

Otay now appears to be anticipating again.

If it was just a matter of who's carrying the biggest club, the Spring Valley Sanitation District vs. the Otay Municipal Water District would find Spring Valley coming off the winner.

However, the people of Calavo Gardens will have to be considered by the Board of Supervisors no matter what they think of the actions of the Otay board.

The Board put the matter off this week until April 21. LAFCO will also consider legislation introduced that, according to Robert Small, would hamstring the commission.

The legislation was pushed by Otay and Chapman, who is also the president of the California Special Districts Association, an association formed practically single-handedly by Otay, at an unknown expense.

It is also unknown where the money came from for Otay's extensive correspondence to get the association underway.

The Otay district reaches from Mt. Helix to the Mexican border. It is empowered to furnish sewer and water service, as well as other municipal services.

These latent powers have been of concern to the formation commission, but state legislation to bring the provision of other services, such as fire protection under LAFCO review, has not been tested yet.

A concern of the county is that Otay, through its powers of water and sewer service, can actually decide planning issues on a de facto basis without any other planning consideration.
